

Poke Through Systems

T&B Catalog Number:

FPT4-1TL22-2C

UPC Number:

78599104284

Status:

Active

Description:

Poke Through Base Unit, Length 19-3/4 Inches, Diameter 7-1/2 Inches, Hub Size 1/2 Inch, Galvanized Steel, 20A/250V Locking Receptacle, 2 Communications Receptacles

Features

	Four modular configurations for power receptacles and communications jacks mounted flush with the floor
	Full access to communications compartment through the cover without exposing power compartments even after it is installed in the floor
	Threaded conduit hubs enable all communications cabling to be enclosed in a single conduit
	Large communications compartments with "straight through" wiring
	Accommodates fiber optic and audio/video connectors
	Pre-wired power receptacles

Application

	For above-grade, fire rated concrete floors.
