

CWRR-716 - Combo Wrench, Ratcheting, Reversible - Data Sheet

This combination, ratcheting, reversible wrench measures 7/16" at both ends. A standard open end wrench (with a 15° offset) on one side and a ratcheting reversible box end (with a 15° angled head) on the other. The ratcheting end allows you to toggle from tightening to loosening. It provides 12 points of contact, making this the perfect wrench for cable and satellite installers working on "F" connectors, splitters, wall outlets and on the back of TV's. Made of chrome vanadium steel, chrome plated and polished to a high gloss finish.
