

ES-1964 - Electrician's Scissors - Data Sheet

The Electrician Scissors are designed for heavy duty use.

Made of chrome vanadium steel with a special hardening process for greater durability and nickel plated for that professional look. The Electrician Scissors are notched to strip 18-20 and 22-24 AWG wire and one blade is serrated. A scraper and file are on the back of the blade. Holds edge even when used on fiber and Kevlar based cables
