

## EMERGENCY PHONE MOUNTS

### ETP-PMD-96-SS – Dual Faceplate Stainless Steel Pedestal Mount

#### Description

Free standing Dual Faceplate Stainless Steel Pedestal Mount is designed to have two Emergency/Information or Access phones to be mounted at car and truck height. Alternatively, a phone and a faceplate can be used to accommodate a card reader, camera, directory or other device.

#### Features

- Constructed of vandal resistant 3/16" stainless steel with slanted top
- Pedestal features 2" radius corners, offering contemporary architectural styling
- Easily mount any 400-Series or 500-Series Talk-A-Phone Emergency/Information Phone
- Faceplates are lit at all times by compact concealed light
- Secondary plate available in stainless or aluminum for mounting directories, cameras, card readers and other devices
- Available with optional wording on sides
