

## **AXIS P1435-E Network Camera**

Compact, cost-effective and flexible HDTV surveillance with WDR

With features such as Lightfinder and WDR – Forensic Capture, the AXIS P1435–E bullet camera provides excellent image quality in HDTV 1080p resolution, even in complex light conditions. The camera features corridor format, pixel counter, remote zoom and focus, as well as P-Iris control – ensuring optimal depth of field, resolution, image contrast and clarity. The I/O port can be used for notification to an alarm panel or control of a relay. Axis' Zipstream technology reduces bandwidth and storage requirements. The outdoor-ready camera comes with an adjustable weather shield.

- > Lightfinder and WDR Forensic Capture
- > Axis' Zipstream technology
- > HDTV 1080p at up to 60 fps
- > I/O support
- > Edge storage
