

Mighty Mo Fiber Raceway, Solid Duct, with hinged cover, 8" x 4", yellow

OR-MMFSDHC8X4-Y

Solid duct is available with and without covers in five sizes. The unique design of the hinged cover allows it to remain in an open position while fiber is installed in the raceway. All sizes are 6' 3-3/8" long and are slotted at each end for snapping to each other or to fittings with a slotted joiner.

features & benefits

- Made of Noryl fire retardant plastic:** Certified to UL94VO and Halogen free.
- Straight sections of raceway and covers are ribbed:** Assures a strong, lightweight rigid system that does not sag under heavy loads.
- Available hinged covers on straight sections:** Covers stay open for easy access.
- Snap together slot and joiner system:** Stronger and quicker assembly of raceway and fittings.
- Raceway and fittings available in 5 sizes:** A solution for any size and density of installation.
