Microphone Assembly Replacement Kit for 297 & 298 Series Telephones

Model 12521-003

Confidentiality Notice

This manual is provided solely as an operational, installation, and maintenance guide and contains sensitive business and technical information that is confidential and proprietary to GAI-Tronics. GAI-Tronics retains all intellectual property and other rights in or to the information contained herein, and such information may only be used in connection with the operation of your GAI-Tronics product or system. This manual may not be disclosed in any form, in whole or in part, directly or indirectly, to any third party.

General Information

The Model 12521-002 Microphone Assembly Replacement Kit is used in all 293 and 294 Series Phones. This kit includes the following components:

Qty	Description	Item Number
1	Grille	1
1	Microphone Mounting Block	2
1	Microphone Assembly	3
1	Microphone Gasket	4
1	Microphone Mounting Bracket	5
2	KEPS Nuts	6
1	Tie Wrap	

Installation

Removing the Old Microphone Assembly

1. Use a Model 233-001 Tamper-Resistant Screwdriver to loosen and remove the six front panel tamper-resistant screws. Note that field wiring will restrict complete removal of the front panel. Note all field wiring terminations to unit and disconnect field wiring to allow front panel to be placed on a working surface.
2. Carefully cut the tie wrap that secures the speaker, hookswitch, and microphone wires together.
3. Unplug the microphone connector from J4 on the printed circuit board assembly (PCBA).

4. Remove the 2 KEPS nuts from the microphone assembly and lift old microphone off the front panel. Carefully remove old microphone grille. See Figure 1.

Figure 1. Microphone Assembly

Installing the New Microphone Assembly

Refer to Figure 1.

1. Place new microphone grille (1) onto the two mounting studs on the front panel.
2. Place new microphone mounting block (2) onto the two mounting studs over the top of the grille from step 1.
3. Thread microphone assembly (3) wire leads through the microphone gasket (4) and through the microphone mounting bracket (5).
4. Position the microphone assembly (3) into the microphone mounting block (2) and then place microphone mounting bracket (5) over the assembly and onto the studs on the front panel. Place KEPS nuts onto studs and tighten.
5. Plug the microphone wire leads into J4 on the PCBA.
6. Secure the speaker, hookswitch, and microphone wires together with supplied tie wrap.
7. Reconnect all field wiring as noted in step 1 of the “Removing the Old Microphone Assembly” section.
8. Place the front panel onto back box, tighten the tamper-resistant screws, and make a test call from the unit.

NOTE: Installation of a new microphone may require the volume level to be readjusted. In this case, see the unit’s original installation manual for adjustment instructions.

Warranty

Equipment. GAI-Tronics warrants for a period of one (1) year from the date of shipment, that any GAI-Tronics equipment supplied hereunder shall be free of defects in material and workmanship, shall comply with the then-current product specifications and product literature, and if applicable, shall be fit for the purpose specified in the agreed-upon quotation or proposal document. If (a) Seller's goods prove to be defective in workmanship and/or material under normal and proper usage, or unfit for the purpose specified and agreed upon, and (b) Buyer's claim is made within the warranty period set forth above, Buyer may return such goods to GAI-Tronics' nearest depot repair facility, freight prepaid, at which time they will be repaired or replaced, at Seller's option, without charge to Buyer. Repair or replacement shall be Buyer's sole and exclusive remedy. The warranty period on any repaired or replacement equipment shall be the greater of the ninety (90) day repair warranty or one (1) year from the date the original equipment was shipped. In no event shall GAI-Tronics warranty obligations with respect to equipment exceed 100% of the total cost of the equipment supplied hereunder. Buyer may also be entitled to the manufacturer's warranty on any third-party goods supplied by GAI-Tronics hereunder. The applicability of any such third-party warranty will be determined by GAI-Tronics.

Services. Any services GAI-Tronics provides hereunder, whether directly or through subcontractors, shall be performed in accordance with the standard of care with which such services are normally provided in the industry. If the services fail to meet the applicable industry standard, GAI-Tronics will re-perform such services at no cost to buyer to correct said deficiency to Company's satisfaction provided any and all issues are identified prior to the demobilization of the Contractor's personnel from the work site. Re-performance of services shall be Buyer's sole and exclusive remedy, and in no event shall GAI-Tronics warranty obligations with respect to services exceed 100% of the total cost of the services provided hereunder.

Warranty Periods. Every claim by Buyer alleging a defect in the goods and/or services provided hereunder shall be deemed waived unless such claim is made in writing within the applicable warranty periods as set forth above. Provided, however, that if the defect complained of is latent and not discoverable within the above warranty periods, every claim arising on account of such latent defect shall be deemed waived unless it is made in writing within a reasonable time after such latent defect is or should have been discovered by Buyer.

Limitations / Exclusions. The warranties herein shall not apply to, and GAI-Tronics shall not be responsible for, any damage to the goods or failure of the services supplied hereunder, to the extent caused by Buyer's neglect, failure to follow operational and maintenance procedures provided with the equipment, or the use of technicians not specifically authorized by GAI-Tronics to maintain or service the equipment. THE WARRANTIES AND REMEDIES CONTAINED HEREIN ARE IN LIEU OF AND EXCLUDE ALL OTHER WARRANTIES AND REMEDIES, WHETHER EXPRESS OR IMPLIED BY OPERATION OF LAW OR OTHERWISE, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Return Policy

If the equipment requires service, contact your Regional Service Center for a return authorization number (RA#). Equipment should be shipped prepaid to GAI-Tronics with a return authorization number and a purchase order number. If the equipment is under warranty, repairs or a replacement will be made in accordance with the warranty policy set forth above. Please include a written explanation of all defects to assist our technicians in their troubleshooting efforts.

Call 800-492-1212 (inside the USA) or 610-777-1374 (outside the USA) for help identifying the Regional Service Center closest to you.
