SMARTMOUNT®

Flat/Tilt Wall Mount with Media Device Storage
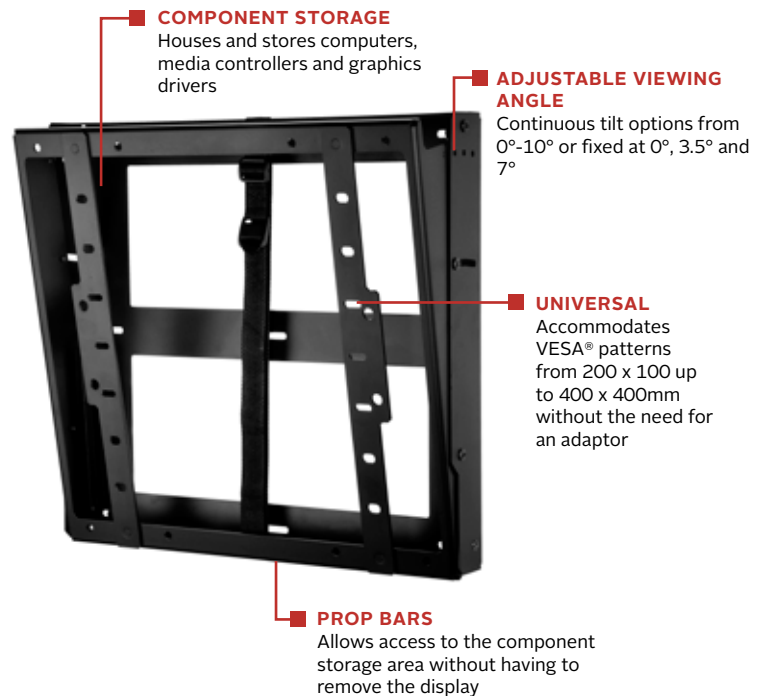

FOR 40" TO 60" DISPLAYS

Designed to hold a display and media device, the DST660 is the ideal low profile solution for digital signage applications. Featuring an open wall plate for easy outlet access, multiple tilt options and portrait/landscape orientation, this is one of the most versatile digital signage mounts. Smartly designed storage means easy access to the media device without having to remove the display.

Designed with ease of service in mind, the media storage device housed by the DST660 can be serviced by a single person without removing the display.
