

Splice Tool Kits

Fusion Splicing Consumables Kit for M67-003

CORNING

Corning tool kits provide the craft persons with a collection of essential tools required for tasks associated with fusion splicing. The tools used in the kits are thoughtfully assembled and are stored in high-quality cases, keeping them safe, neat and in proper working order.

This kit includes items to replenish the M67-003 Tool Kit. Good for approximately 600 fibers.
