

KWIKSET® SMARTCODE® LOCKS WITH Z-WAVE™ TECHNOLOGY

Kwikset®, the leader in residential security, provides a smarter way to expand your security system solution. With Home Connect™ Technology, a Kwikset SmartCode™ keyless entry lock will talk wirelessly to your security system via Z-Wave® to enhance security, expand functionality, and add value to your lifestyle. These locks are equipped with a full 128-bit security encryption and true remote locking and unlocking features due to its motorized driven locking mechanism powered by 4AA batteries.
