

P3100 Professional Series Player

NV-P3100-NA

Providing 40 watts of power per zone, this player brings music to any three rooms of your home. Your music selection is limitless thanks to built-in access to Internet radio as well as a network connection to your personal music collection. To play music in more rooms pair with the P100, P200, or P3500.

Outside North America? Use -EU, -UK or -AU when ordering.

features & benefits

- Quickly access music from your PC or Mac and play it anywhere in your home.
- Internet Radio streaming directly to your NuVo System.
- In a single, rack-mountable unit, the P3100 provides three players, for three individual amplified zones.
- Group all of your zones to play in Party Mode and have all zones play the same music in sync.
- High-performance amplifier operates coolly and saves energy while minimizing distortion.
- Connect any storage device to the USB port and play its music through your NuVo system.
