Article Number: 852-25136

Description: GST Category 5e UTP Modular Keystone Jack, Violet, 1/bag

Base Data	
Local Order Number	GSTJ5EU-VI
Type	GSTJ5EU-VI
Color	Violet (VT)
Features and benefits	<ul style="list-style-type: none"> • The slim-line design of the jack allows for a maximum of 24 modules to be fitted into a standard 19" panel. • Single termination design provides consistent, repeatable terminations. • The wiring manifold incorporates both TIA 568A and B wiring schemes as well as strain relief for the cable. • Exceeds Category 5e performance standards, providing the highest quality standards. • Available in 12 colors for easy color coding identification.
Quantity Per	bag
Product Description	The HellermannTyton GST keystone jack provides a common termination method across Category 6A, Category 6 and Category 5e performance standards. The slim-line design's reduced depth means there is more space at the rear of the module which allows for the higher bend radius required for large diameter cables and that they can be used in installation where shallow trunking is being used.
Technical Description	The design of the GST Keystone Jack has an integrated wire manifold and lid which provides integral strain relief for the cable and which enables the use of the GST Termination Tool for quick and easy installation on site.
Short Description	GST Category 5e UTP Modular Keystone Jack, Violet, 1/bag
Product Dimensions	
Length L (Imperial)	0.91"
Length L (Metric)	16.5mm
Width W (Imperial)	0.65"
Width W (Metric)	16.5mm
Height H (Imperial)	0.63"
Height H (Metric)	23.3mm
Depth D (metric)	38.0mm
Depth D (imperial)	1.54"
