Article Number: 853-50052

Description: GST Angled Modular Patch Panel 48 Port, 1U, Steel, Black, 1/box

Base Data		
	Local Order Number	GSTAPP-1U48SC
	Type	GSTAPP-1U48SC
	Color	Black (BK)
	Features and benefits	<ul style="list-style-type: none"> • The angled modular design conserves rack space by routing the patch cords directly into the vertical cable management eliminating the need for horizontal cable management. • Angled design facilitates proper bend radii of the front patch cords and rear permanent link cables. • Designed to work with HellermannTyton GST Series Jacks only.
	Quantity Per	box
	Product Description	The GST modular patch panel family is designed to accept HellermannTyton GST Series UTP modular jacks. These modular panels and accessories can be mounted to any standard EIA 19" rack, cabinet or wall mount patch panel bracket. HellermannTyton pre-numbered modular patch panels are available in 24, 48 and 72 port configurations. Available in a flat and angled versions.
	Technical Description	The Angled Modular Keystone panel is manufactured from 1.6mm powder coated mild steel making it rigid and robust. The panel has a matteblack powder coated finish and is screen printed with port numbers as well as clear port identification labelling areas for easy user identification. Each U also has a central labelling field for panel identification.
	Short Description	GST Angled Modular Patch Panel 48 Port, 1U, Steel, Black, 1/box
