HellermannTyton

Article Number: 859-30064

Description: RNS Series Angled Modular Panel, 2U, Black, 1/ctn

Base Data		
	Local Order Number	RNSAPP2U
	Type	RNA6UXX-PE2USC
	Color	Black (BK)
	Features and benefits	• 2U RNS Series angled modular panel accepts 8 RNS Series short body cassettes and provides copper and fiber solutions in the same footprint. • Simple, easy insertion with push down clip. • Angled design provides increases rack capacity.
	Quantity Per	box
	Product Description	RapidNet is HellermannTyton's patented pre-terminated "connect and go" system which offers a high performance in copper and fiber solutions for data centers and storage area network applications. These pre-terminated solutions do not require on-site termination or certification testing which dramatically reduces installation time up to 85%.
	Technical Description	The RapidNet Angled panel is manufactured from 1.6mm powder coated mild steel making it rigid and robust. The panel has a matt black finish and is screen printed with port numbers 1 to 48 as well as clear port identification labelling areas for easy user identification which can be customised through Alpha Label software at www.htdata.co.uk. The panels is supplied with Screw fixings as standard, panels can also be supplied with Rack Snaps, Cage Nuts or without fixings if required
	Short Description	RNS Series Angled Modular Panel, 2U, Black, 1/ctn
