

Dual-Hole Miller Tool Fiber Stripper (for 900 and 250 μm fiber)

CORNING

Corning tool kits provide the craft person with a collection of essential tools needed for tasks associated with the installation, maintenance and termination of fiber optic cable. The tools used in the kits are thoughtfully assembled and are stored in rugged, compact cases that carry like a briefcase. The cases are engineered to keep the high-quality tools safe, neat and in proper working order.
