

558251-2
Surface Box, 1-gang, black

Body Features

Color	Black
-------	-------

Configuration Features

Outlet Size	1-gang
Preloaded	No

Housing Features

Housing Material	Polycarbonate molding compound
------------------	--------------------------------

Mechanical Attachment

Mounts To	Surface
-----------	---------

Operation/Application

Accepts	Faceplates
---------	------------

Product Availability

Region	Asia Latin America North America
--------	--------------------------------------

Product Type Features

Product Type	Box
System	AMP NETCONNECT
Orientation	Straight

Regulatory Compliance/Certifications

Agency RoHS 2011/65/EU	Classification Compliant
----------------------------------	------------------------------------
