Excellent Sound
and Voice Quality
with **BTD 800 USB**

BTD 800 USB

BTD 800 USB

The BTD 800 USB is a PC dongle designed to work seamlessly with a range of Sennheiser Bluetooth™ headsets.

Optimized for Unified Communications

Together with the BTD 800 USB, Sennheiser MB 660 UC, PRESENCE™ UC and MB Pro UC headsets provide compatibility with major UC providers such as Cisco, Avaya and IBM. This powerful combination provides you with excellent communication capabilities and user-friendly call control functions that allows you to maximize the potential of your Unified Communications.

Plug n' play

The BTD 800 USB provides your computer with a rapid Bluetooth® connection to the headset without requiring any technical installation. This ensures an excellent voice and sound experience.

Increased range

Now you can get the freedom to move up to 25 meters / 82 feet from your PC with dongle – depending on device and environment.

Security

The BTD 800 USB exclusively supports audio, therefore no data exchange is possible making it very secure for businesses.

Features and benefits:

- **Optimized for Unified Communications PC based systems** – simply plug in to your PC*
- **Sennheiser Voice Clarity** – wideband sound for a natural listening experience
- **High quality audio mode** for enhanced music listening
- **Small size dongle** – easy to carry in your pocket and stays discretely plugged in to the PC
- **Peace of mind** – thanks to the 2 year international warranty

*HeadSetup needed to enable call control.

Technical Data

Product name	BTD 800 USB
EAN No.	40 44155 08419 1
UPC No.	6 15104 23923 4
Art. No.	504579
General Data	
Technology	Bluetooth® v4.0 / supported profiles: A2DP 1.2, HSP 1.2, HFP 1.6
Bluetooth® audio bandwidth	Narrowband or wideband. A2DP.
Range	25 m / 82 ft (device dependent)
Weight	2 g / 0.07 oz
Transmission frequency	2,4 GHz
Supported operation systems	Windows, Mac
USB	Version 2.0
Firmware update	Yes – application downloadable from www.sennheiser.com/cco/software
Packaging	
Design	Carton box
Dimension of product packaging (L x H x D)	123 x 31 x 84 mm / 4.83 x 1.22 x 3.31 in
Package weight (incl. complete product and packaging)	61 g / 2.14 oz
Units in distributor master carton	40 pcs
Master carton weight incl. products	3.03 kg / 6.68 lbs
Dimension of master carton (L x H x W)	325 x 100 x 130 mm / 12.81 x 3.94 x 5.12 in
Unit pack/end user	1 pc
Warranty	2 years

Experience Sennheiser

Perfection is always relative: Users have different expectations from their headsets and speakerphones depending on their needs. For professional users, that need is to communicate as effectively as possible.

With Sennheiser's range of headsets and speakerphones, the combination of Sennheiser sound leadership, quality design and build – and a focus on real life usability – give the best performance possible in offices, contact centers and Unified Communications environments.
