

**BK3VX | 1244428****WECO Standard Size VX to Standard Size VX Plug, 0.93 m, black**

## Product Classification

Product Type	RF cable assembly
Regional Availability	North America

## Body Features

Color	Black
Conductor Plating	Gold

## Configuration Features

Number of Connectorized Ends	2
------------------------------	---

## Contact Features

Center Contact Plating	Gold
------------------------	------

## Dimensions

Length	0.91 m   3.00 ft
--------	------------------

## Electrical Characteristics

Connector Impedance	75 ohm
Impedance	75 Ohms
Voltage	600 V

## Operation/Application

For Use With	All Standard Size 2x24 and 2x26 Panels
--------------	--

## Product Type Features

Assembly Type	WECO Standard Size VX to Standard Size VX Plug
Connector Type (End A)	VX Plug
Connector Type (End B)	VX Plug
Cable Assembly Type	VX Plug to VX Plug
Cable Type	Coaxial
Coaxial Cable Type	RG 59
Product Category	Broadcast Video
Product Designation	Patch Cord
Product Line	Broadcast
RF Connector Type	Video Jacks
Shielded	Yes

BK3VX | 1244428

## Usage Conditions

---

Operating Temperature Range -40 – 65 °C

## Regulatory Compliance/Certifications

---

### Agency

RoHS 2011/65/EU

### Classification

Compliant
