

G3V-STM | 1244511

**WECO Midsize Plug to Midsize Plug, 0.93 m, green**

## Product Classification

Product Type	RF cable assembly
Regional Availability	North America

## Body Features

Color	Green
Conductor Plating	Gold

## Configuration Features

Number of Connectorized Ends	2
------------------------------	---

## Contact Features

Center Contact Plating	Gold
------------------------	------

## Dimensions

Length	0.91 m   3.00 ft
--------	------------------

## Electrical Characteristics

Connector Impedance	75 ohm
Impedance	75 Ohms
Voltage	600 V

## Operation/Application

For Use With	All WECO Midsize 2x32 Panels
--------------	------------------------------

## Product Type Features

Assembly Type	WECO Midsize Plug to Midsize Plug
Connector Type (End A)	Midsize
Connector Type (End B)	Midsize
Cable Assembly Type	Midsize to Midsize
Cable Type	Coaxial
Coaxial Cable Type	RG 59
Product Category	Broadcast Video
Product Designation	Patch Cord
Product Line	Broadcast
RF Connector Type	Video Jacks
Shielded	Yes

## Usage Conditions

---

Operating Temperature Range -40 – 65 °C

## Regulatory Compliance/Certifications

---

### Agency

RoHS 2011/65/EU

### Classification

Compliant
