The versatile 58" in. Long Arm Car Opening Tool is designed to enter into the passenger compartment of the vehicle through the door using wedges and/or door jack type tools. The soft vinyl Bright Glow Yellow Tip allows for easy lock manipulation.

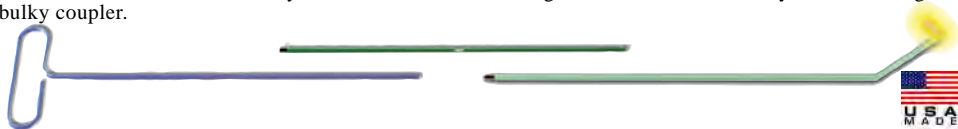

A042-LAXL: 76" LONG REACH TOOL

The versatile 76" in. Long Arm Car Opening Tool is designed to enter into the passenger compartment of the vehicle through the door using wedges and/or door jack type tools. The soft vinyl Bright Glow Yellow Tip allows for easy lock manipulation.

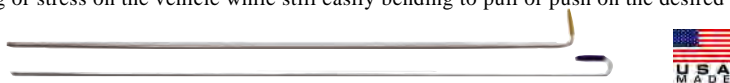

A042-QC1: QUICK CHANGE LONG REACH TOOL

The 3 Piece Quick Change Long Reach Tool is designed to unlock many vehicles through the passenger door using wedges and/or door jack type tools. Features a specialty formulated Glow-in-the-Dark tip and 18" in. extension arm which may be mounted between the rigid 'handle' and 'tool body' without using a bulky coupler.

A042-QC2: QUICK CHANGE LONG REACH ACCESSORY

The 2 Piece Quick Change Long Reach Accessory Tools features a thin diameter body which screw directly into the A042-QC1 'handle' or 18" in. extension without the use of a bulky coupler. The thinner material may provide less wedging or stress on the vehicle while still easily bending to pull or push on the desired unlocking feature.

A042SL: LONG REACH TOOL SLEEVE

Use the Long Reach Tool Sleeve to protect the glass, weather stripping, paint, and edge of the door from tools while performing an auto opening. The Long Reach tool is fed through the sleeve to avoid contact with the vehicle

A085: EURO STRIP TOOL

The flexible design allows technicians to bypass doors on foreign and domestic vehicles and attack vertical buttons. Machine cutout with a heavy duty rubber band for extra strength. Full Color Instructions included.
