

PRO-LOK®

AO86: LOCK LIFTER TOOL

Use the Long Reach Tool Sleeve to protect the glass, weather stripping, paint, and edge of the door from tools while performing an auto opening. The Long Reach tool is fed through the sleeve to avoid contact with the vehicle

AO65: DOOR GAPPER DUAL TOOL

The double sided Door Gapper Dual Tool makes Auto Entry easy! This tool helps create space between the door and the frame to allow for quick insertion of the Pump Wedge to perform Long Reach Car Openings.

- Door Jack Tool on one end, Wedge on the other
- Easily creates a gap for Long Reach Tool
- Soft rubber bumper for extra protection

AO65: PUMP WEDGE

The Pump Wedge is a unique and versatile tool for expanding openings to unlock vehicles. The inflatable wedge made of non-marring ballistic material and has rounded corners for easy entry. Includes a stiff interior for extra strength and easier insertion.

Lifetime Warranty from manufacturer's defect.

Size: 6.25" W x 5.5" L

AO65-VXL: XL PUMP WEDGE

The Extra Large Pump Wedge is a larger version of the popular AO65 Pump Wedge. Made of non-marring ballistic material and has rounded corners for easy entry. Includes a stiff interior for extra strength and easier insertion.

Size: 9.0" W x 6.93" L

Lifetime Warranty from manufacturer's defect.

AL6000: PROGLO SUCTION LIGHT

The Pro-Glo Hands-Free light uses a suction cup to rest on the exterior of vehicle's windshield, illuminating the desired work area so the entry technician can see to manipulate the interior locking mechanisms. A great accessory to any Long Reach Tool, the Pro-Glo features 6 powerful and uniquely angled LCD lights to throw light on specific area of the vehicle's interior.
