At Securitron® we pay special attention to the needs of our customers. Our 1.800.MAGLOCK sales and service support line puts you in touch with our knowledgeable and friendly team to assist you with the smallest detail, or the most difficult application, including free wiring diagrams. In 1999, Securitron introduced the first "no strings attached" warranty program called MagnaCare, because we believe quality products and quality service should be the expectation, not the exception.

Select products are covered under Securitron's other warranty programs. Full details are available online. Vista Series maglocks are covered by VistaCare One Year No Fault Warranty. BPSS and R100 are protected by SecuriCare Three Year No Fault Warranty.
