1. 613 and 722 finishes available by Special Product Application Request only. Contact customer service for more information.

Finish available with MicroShield® antimicrobial coating. Add YMS suffix to order MicroShield antimicrobial coating.

MicroShield coating may vary finish color from architectural standards. MicroShield is not intended as a substitute for traditional infection control programs such as hand hygiene or use of disinfectants. Coated products must still be cleaned to ensure the surfaces will be free of destructive microbes. Yale makes no representations or warranties, express or implied, as to the efficacy of MicroShield.

# Security Latchlock 80

## OPERATION

**Outside:** Furnished standard with 5-pin rim cylinder 1109E.  
**Inside:** Bolt can be deadlocked or held back by slide button, rendering the lock inoperable by key or knob.
