

# Laminated Steel Padlocks

## PL40LP Laminated Steel Padlock

- Laminated steel body and zinc plating for strength and rust resistance
- Hardened shackle resists cutting
- Dual-locking shackle resists prying
- 4-pin tumbler cylinder for pick resistance
- Packed individually in shelf packs of 4 blister packs with 72 per master carton (PL44LP20S master cartons contain 48)
- Original key blanks available. See below.
