

LOW-VOLTAGE BRACKET WITH QUICK/CLICK

SLV2W | [Pass & Seymour](#)

FEATURES & BENEFITS

Designed for use in double gang openings, the 2-Gang LV Swing Bracket with Quick/Click® is ideal for low voltage installations such as keystone wall plates and audio keypads. Intended for new construction projects, this bracket installs quickly and easily with the Quick/Click® feature. The bracket features an open back and uses reliable metallic swing brackets to clamp bracket in place.

- Speed installation times with Quick/Click® technology, the fastest way to secure LV devices
- Rigid plastic design retains shape for ease of alignment during installation
- Reliable, metallic wings securely clamp bracket in place
- Spacious opening accommodates large devices and facilitates wiring process
