PEHV1000SFN130/PEHV1000

Indoor Stainless Corner Housing

- Model PEHV1000SFN130; Includes WV-SFN130 Full HD 1,920 x 1080 Network Camera
- Model PEHV1000; Vandal Housing only
- Brushed Stainless Steel Faceplate, all Steel Construction
- Tempered Glass Window
- Tamper resistant hardware included
- PoE (IEEE802.3af compliant)
- Fully compatible with Altronix eBridge Plus system
- Designed for stairwell, elevator and prison/correction cell applications

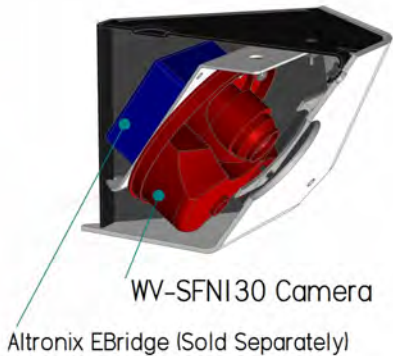

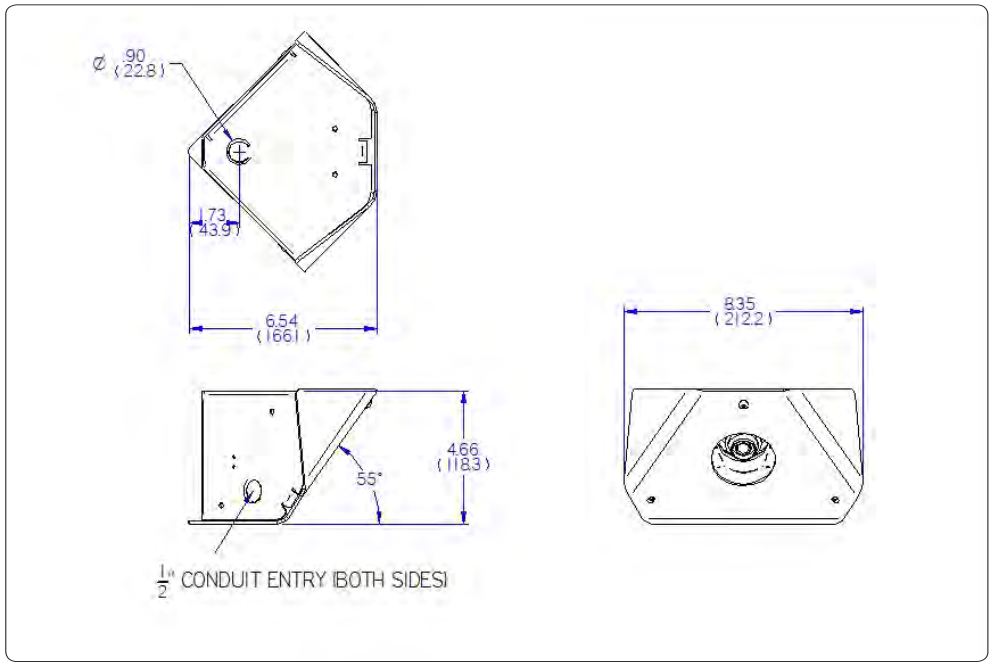

Bid Specifications

The indoor corner vandal camera housings are Panasonic models, PEHV1000SFN130 and PEHV1000. Model PEHV1000SFN130 comes complete with Panasonic WV-SFN130 Full HD Network Camera. Both enclosures are manufactured using a 12 gauge 304 brushed stainless steel face plate. Window is 5mm (1/8") tempered glass. Faceplate is held in position with (3) stainless steel security fasteners. A silicone gasket is provided to protect against water ingress. Remaining enclosure is constructed of 16 gauge steel components. Conduit knockout are provided for (3) 1/2" conduit entries. One located on the top the enclosure with an additional knockout on each side. Camera bracket is provided for easy mounting of the WV-SFN130 camera. Space is provided in the back of the bracket for attachment of the Altronix eBridge Plus 100ST transceiver. Hardware for mounting both camera and transceiver is provided.
