

PRSS-UNV(-S)(-W)

PRSS Projector Mount

For projectors up to 50lb (22kg)

The PRSS Projector Mount offers one of the fastest and easiest installation available in the market. It allows for independent pitch, roll and swivel alignment with two easily accessible adjustment points. Just set the mount to the desired position and secure it in place. It will hold its position even during projector maintenance. With its discreet, low-profile design the projector mount is perfect for flush mounting applications. With Peerless-AV® PRSS Projector Mount, just set it and forget it.

Max load: 50lb (22kg)

FEATURES

- Independent roll, pitch and yaw adjustments provide easy image alignment
- Specifications:
 - Pitch: $+15^{\circ}/-20^{\circ}$
 - Roll: $\pm 5^{\circ}$
 - Swivel: 360° (during installation)
- Pre-installed security screws provide tilt and roll locking ability to prevent tampering and adjustments
- Low profile design allows projector to be flush with the ceiling
- Open frame assembly provides easy cable routing through the projector mount itself
- Quick release mechanism to easily service projector

IMAGE ALIGNMENT MADE EASY

Independent adjustment screws allow for a hassle free adjustment of the pitch, roll and swivel

EFFORTLESS PROJECTOR MAINTENANCE

Quick-release thumbscrew enables easy-glide removal of the projector in and out of the mount

UNIVERSAL COMPATIBILITY

Includes the Spider® Universal Adapter Plate which extends up to 17.63" (448mm) to fit most projector models

Image alignment made easy
