
VENT PANEL, 2 RU, HINGED

APV-2 |

FEATURES & BENEFITS

The hinged access panel provides quick passage to rack interiors. Solid and vented panels available. Fabricated from easily machinable 13-gauge black powder coated steel, this access panel is perfect for those situations where access to the rear of connector panels is required. Captive 10-32 threaded thumbscrews require no tools to open and will not get lost.

- Vented panel allows airflow while preventing accidental contact
- Steel construction is easily machinable
- Hinged on one side for easy interior access
- Captive 10-32 threaded thumbscrews require no tools to open
