

bitwise™

BWRMT Room Remote and BWRRR Reciever

FEATURES AND BENEFITS

Room Remote

The BitWise Room Remote was designed to control all BitWise-connected devices in a room. It includes keys for common audio and visual functions and, thanks to its utilization of an RF Receiver to connect with BitWise controllers, line-of-sight is not required.

The intuitive design allows a room to be controlled with the remote as well as by BitWise apps. The remote and apps stay in sync during use, so a selection made via control app is automatically transferred to the remote and vice versa - there is no need to re-select.

Integrators can add a Room Remote and RF Receiver to any BitWise controller, and multiple remotes can communicate with a single RF Receiver. Additionally, up to 255 remotes can be incorporated into an installation, making this a scalable option for commercial projects.

RF Receiver

The BitWise RF Receiver is the quiet key to our Room Remote's ability to control an entire room with no line-of-sight required.

When a user pushes a button command on the Room Remote, the signal it sends is routed through the RF Receiver, which translates it into a trigger for the BitWise controller managing the system. The controller then relays the command to the desired component for a seamless user experience.

One App For Everything

The fully-customizable BitWise control app is available for iOS and Android smartphones and tablets. Dealers can customize the look, feel and included features to fit the needs of an organization or individual users.

WARRANTY INFORMATION

Two-Year Limited Warranty

BWRMT Room Remote and BWRRR Receiver

SPECIFICATIONS

RF REMOTE CONTROL	
Keys	52
Backlight	LED (white)
Room Activities	4-8
Transmission	RF only - 433MHz
RF Range	50-100' (depends on site conditions)
Dimensions	8" x 2" x 1" 200mm x 55mm x 28mm
Weight	5 oz.
Weight (shipping)	1 lb.
RF Receiver	BW-RRCVR-1

RF REMOTE CONTROL RECEIVER	
Power	12VDC
Communication	RS232 (9600 baud 8 N 1)
Wiring	Black: ground. Red: +12VDC. White: TX (to controller RX)
Cable Length	6'
Dimensions	3-1/8" x 2" x 3/4" (80mm x 50mm x 19mm)
Weight	8 oz.
Weight (shipping)	1 lb.
