## UHD FIBER ENCLOSURE, PATCH, UHD-B, 2U, BLACK

UC04UB | [Ortronics](#)

---

### FEATURES & BENEFITS

The Infinium UC0 (UHD) fiber enclosure is perfect for fiber patching applications with sizes from 1RU to 4RU, black or white, with a cable management tray in the back of the enclosure to protect your connections. The enclosure accepts M7 cassettes with their base 12 fiber configurations. A separate version of the enclosure is available in a base 8 footprint.

- **Ultra High Density:** Accepts twelve M7 cassettes per RU for up to 144 LC fibers per RU
- **Redesigned Layout:** New positioning for splice trays for improved cable routing and splicing capability
- **Modular Drawer Faces:** Accepts pre-terminated M7 cassettes or UHD7FP adapter panels
- **Front-loading, drawer-style design:** Maximizes port density while providing easy cable access
- **Fiber port labeling:** Provides easier administration
- **Pre-terminated solution:** Fastest installation, highest performance and consistent factory quality with M7 cassettes
