
LYRIQ CHARGE & PLAY TWO-ZONE KIT IN STUDIO DESIGN

AU5712-WH | [On-Q](#)

FEATURES & BENEFITS

The LyriQ Charge & Play Two-Zone Kit allows homeowners to enjoy their favorite music in two rooms from any digital music source such as a smartphone, tablet, or laptop.

As a single-source input to the LyriQ, Two-Zone Charge & Play Kit supports the charging of most tablets, smartphones, and digital music players via convenient USB port and the player manufacturer's cord. Left and right stereo inputs provide crystal clear sound to as many as four zones – just plug and play – while the included Universal Smart Cradle desktop stand securely holds any device connected to the system.
