SALAMANDER DESIGNS

UNIFI HUDDLE™

UNIFI
HUDDLE™

The Salamander Designs Unifi Huddle™ Tables provide the latest in high-quality, customizable solutions so teams can gather quickly and collaborate more easily. Unifi Huddles consist of two models that provide the latest in table solutions to accommodate today's modern offices and impromptu meetings.

Both designs are easy to specify for rapid deployment and offer innovative solutions to support and manage today's technology. Ultra simple to install in just minutes, Unify is built to last and a future-proof design allows technology updates easily.

UNIFI HUDDLE™

Ideal for 2 to 5 people seated, Unifi offers select mounting solutions to support virtually any unified communication technology. A premium-grade cabinet features storage for larger AV systems with quick access and easy cable management. Other thoughtful options include power distribution and cooling systems.

UNIFI HUDDLE™ LITE

Since one size doesn't fit all, the smaller Unifi Huddle Lite accommodates 2 to 3 people at cafe-height and is ideal for a fast-paced environment where people gather often in an impromptu manner. The Unifi Lite is available with or without integrated display mount and features a unique under table storage base is easily accessible for small AV systems.
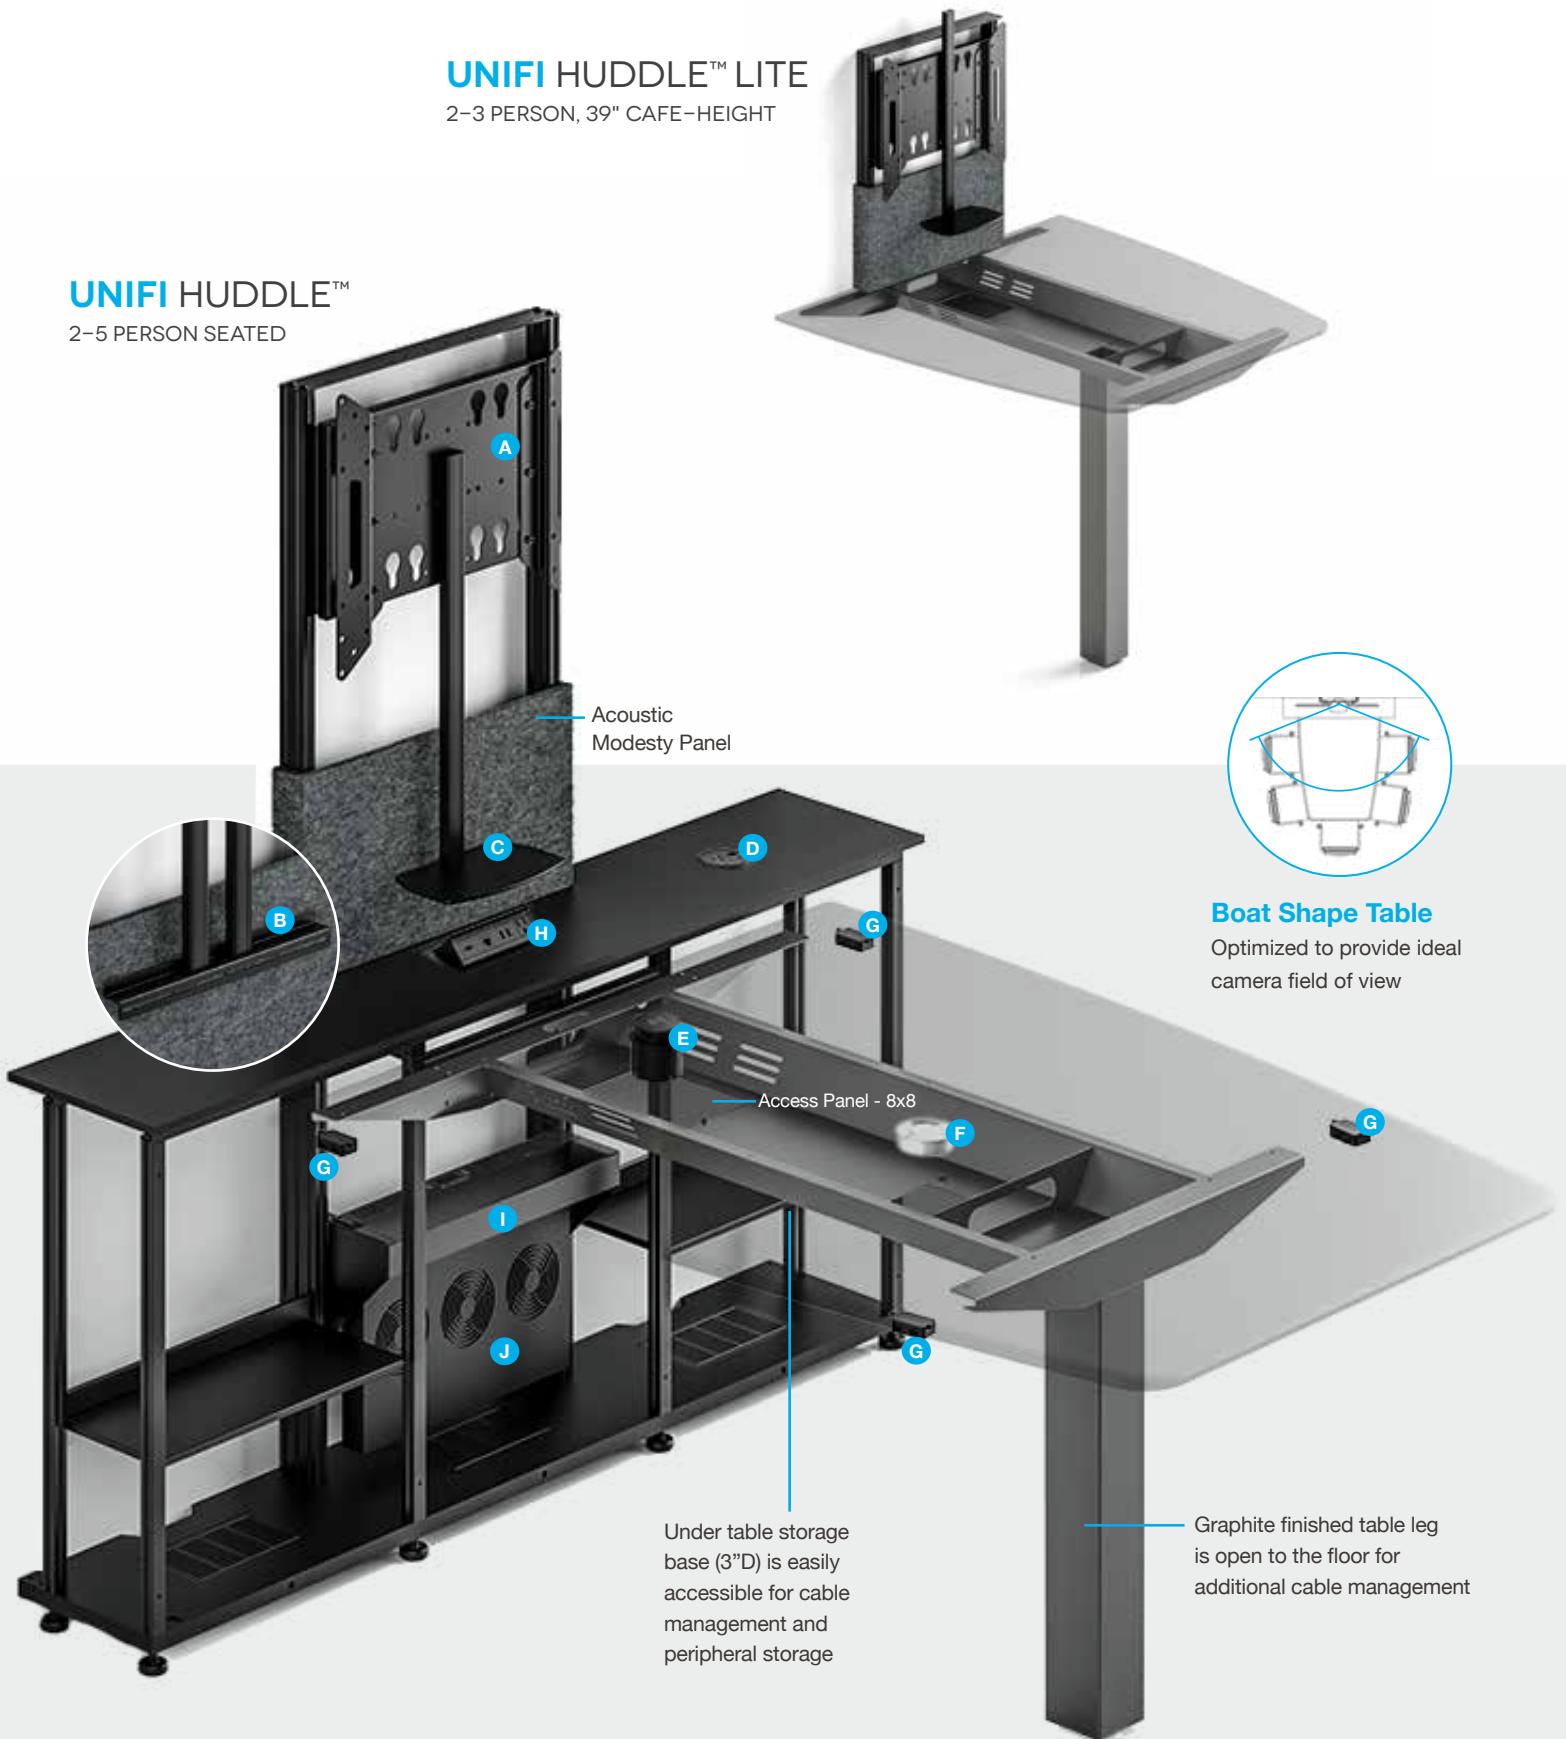

Four table top options.
