

specifications

The End Panel mounts on either side of the FlexCore™ Optical Distribution Frame (ODF), providing access to installed trunks and assemblies as well as security. An integral spring locking mechanism enables an end panel to be either fully removed or simply hinged open.

The End Panels are used to enclose the ODF for both security and aesthetics.

general specifications

Access	Left or Right
Application	Installed on frame or vertical cable manager
Color	Gray or Black

dimensions

	FDPEP45GY
Height	84" (2134mm)
Width	0.95" (24.1mm)
Depth	12.8" (325mm)

NOTE: For part number in black, replace GY with BL

material specifications

Finish	Powder coated
Material type	Steel

environmental specifications

Environment	Indoor
Standards	RoHS
