BT8390

HORIZONTAL MOUNTING RAIL

BT8390 horizontal mounting rails are the central component of any System X installation, whether it be for a complex multi-screen install or a single screen application. Made from aluminium, the rail itself is sturdy yet lightweight and is designed to support a variety of interface arms and mounts, allowing screens and other AV equipment to be fitted to the rail. Available in a range of lengths, the BT8390 can be mounted onto walls, poles, System X and Mode AL columns using a range of different fixing kits (available separately). Rails can be cut to shorter lengths as required or joined together using extension kits (also available separately) for much longer installs.

SPECIFICATION

Max load	Dependent on interface arms used
Lengths available	0.5m, 0.7m, 1m, 1.5m, 1.75m, 2m & 3m
Fixing kit to wall mount	BT8390-WFK1 / 2 / 3 / 4 / 5 / 6
Fixing kit to pole mount	BT8390-CFK (<i>accessory collar required</i>)
Fixing kit to mount to a BT8380 column	BT8380-JPK / BT8380-JPT
Fixing kit to mount to a BT8381 column	BT8381-JPS
Fixing kit to mount to a BT8385 column	BT8385-RTC
Colour	Silver or Black

FEATURES

- Part of the System X range for use in a variety of applications; wall, ceiling, trolley etc.
- Ideal for video walls, menu boards and other multi-screen installations
- Can also be used for premium single screen applications
- Compatible with a variety of interface arms and collar compatible accessory mounts
- Multiple lengths can be joined together using BT8390-EXT to create longer rails
- Also compatible with Mode-AL BT8385 columns
- Suitable for landscape or portrait installs
- High-end aesthetic quality
- Available in a variety of lengths and can be cut if necessary
- Lateral adjustment - position interface arms anywhere along the length of the rail
- Supplied with plastic end caps for a neat and tidy finish
- Simple 'hook-on' installation
- TUV certified

Available in a variety of lengths and can be cut if necessary

Multiple lengths can be joined together using **BT8390-EXT** (available separately)

Compatible with a variety of interface arms and collar compatible accessory mounts

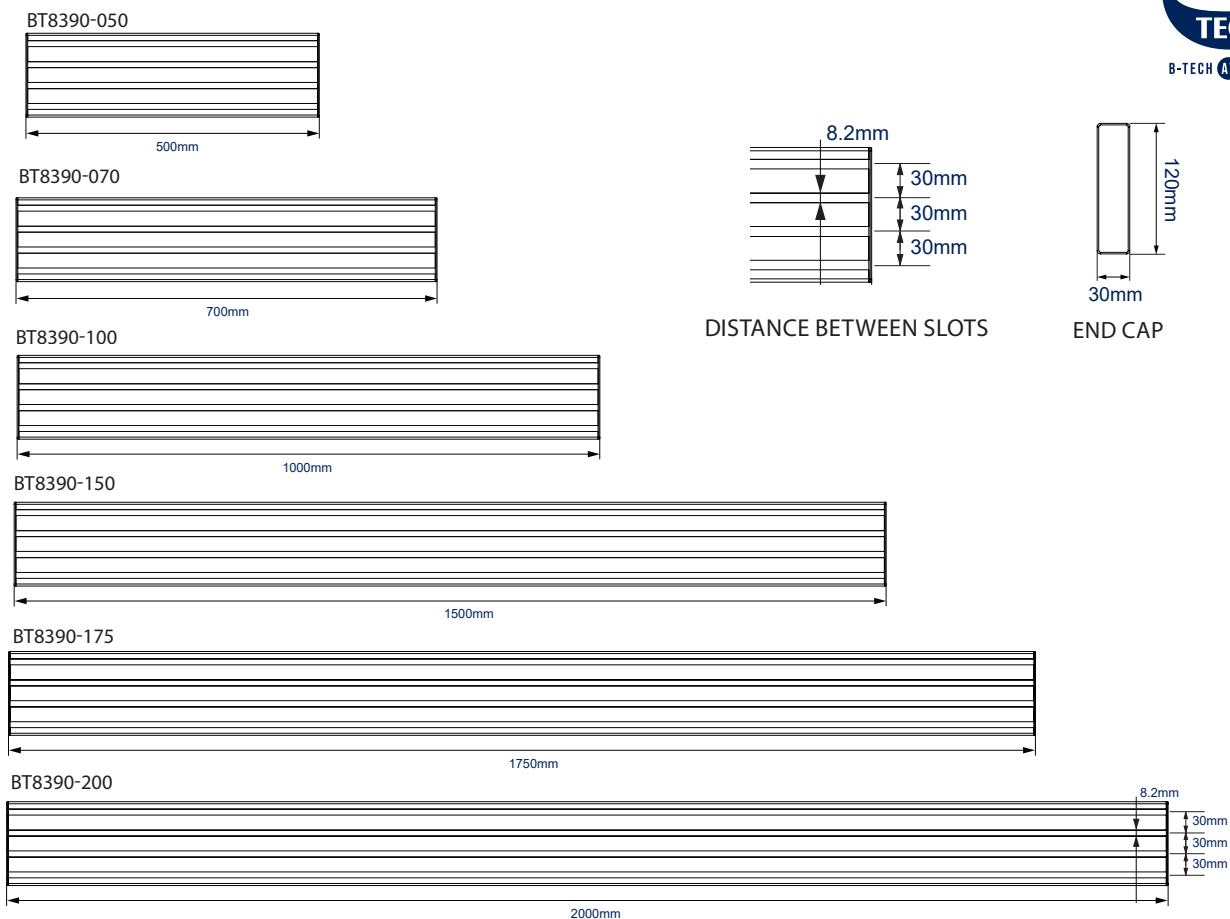

Use **BT8390-CFK** collar fixing kits and B-Tech collars & poles to create ceiling or floor-to-ceiling installs

SYSTEM **X**
